SANTA ARRIVED IN STYLE THIS YEAR—ON THE BACK OF A HARLEY!

The annual community tree lighting on November 29 even had the cooperation of the weather this year! It was almost "shirt sleeve" weather and perfect for the large crowd that attended.

With the assistance of the Rainbow Girls and DeMolay Guys, crowd of 350+ were treated to hot chocolate, coffee and fresh baked cookies from **Rick's Place** and coffee from **Matay Lunch & Latte'**

While everyone was enjoying the festivities and awaiting the arrival of the jolly old fellow in red, they were entertained with the wonderful sound of the season.

NW Women's Chorale under the direction of Joy Lingerfeldt

AND

Hamilton Elementary Winter Chorus under the direction of Trent Pomeroy.

And of course, our own very talented, **Amanda Bacon**

Santa was able to deliver all of his early presents to the kids with the help of his handy elves, **Robby and Chas Stephens**. And without the financial sponsorship of the tree lighting from **First Federal**, there wouldn't

have been nearly as many smiling faces enjoying the spirit of Christmas Downtown.

Thanks to everyone who helped to make the tree lighting a great success again this year!

Merry Christmas
and
A Very Happy
New Year!!
